WELCOME TO THE WIPA LAS VEGAS

March Newsletter

- Animal Foundation Volunteer Opportunities

As I begin my second year as your Community Engagement board member, I'm continually inspired by the way our industry supports the Las Vegas community. As event professionals, we offer so much more than financial contributions—we show up with our time, talents, and heart. With so many nonprofits relying on events to sustain their missions, our skill sets truly make a difference.

We're proud to continue our partnership with The Animal Foundation this year. Over time, we've developed a stronger connection with their mission and discovered meaningful ways WIPA can support them beyond a single event.

We kicked off 2025 with an amazing Q1 event, featuring a cuddle booth with adoptable pups—raising \$450 in donations! We also held our first group foster field trip, giving shelter dogs a chance to get outside and decompress. We're also continuing our First Tuesday Adoption Photo Days and supporting "Best in Show," The Animal Foundation's largest fundraiser. You'll find more details on both later in this newsletter.

Thank you to everyone who continues to give their time and energy. Let's keep showing Las Vegas the impact WIPA can make—together.

FIRST TUESDAY ADOPTION PHOTO DAYS CONTINUE

WIPA Las Vegas is helping our community partner of the year, The Animal Foundation, with their mission to help rescued animals find their forever homes!

Every first Tuesday of the month, a photographer from our WIPA Las Vegas community volunteers to take photos of the dogs that are available for adoption. If you are a photographer, please consider donating a couple hours of your time to help with very important cause!

We're currently looking for photographers for April – June! Whether you're a professional or a hobbyist, your skills can make a difference in helping these animals find their forever homes.
